

Reference Guide to OHF AAA Adjacent Zones (2023 - 2024)

1. Use of Chart: The AAA associations listed below the underlined association are considered to be adjacent to that AAA zone. I.e. a player in possession of a valid waiver from Barrie is eligible to tryout with Grey Bruce, North Central and/or York Simcoe.
2. AAA Centres in CAPS are part of the “Lake Ontario Region”. A Waiver from a “Lake Ontario Region” AAA Program in compliance with OHF Regulation E42 makes a player eligible for any AAA program in the “Lake Ontario Region”, subject to import quotas on those “Lake Ontario Region” AAA teams.
3. NOHA Resident Players will utilize the NOHA Permission to Skate/Release in place of the AAA Waiver. Once received, they are eligible to tryout with North Central Zone and follow the OHF AAA Waiver process.
4. Centre Wellington and Woolwich residents must have AAA Waivers from both Guelph Zone and Waterloo Zone before they are eligible to tryout for any team within the OMHA or Alliance Zone.
5. Orangeville MHA, a member of the Credit River Zone, is not part of the LOR extended boundaries. Orangeville residents, U16 and below, must have a AAA Waiver from Credit River Zone in order to be eligible to tryout for any team within the GTHL.
